Tracing Instructions:

Please use only a clean, sharp-pointed writing instrument such as a pencil, pen, or fine tip roller pen. (Do not use magic markers or anything with a wide tip)

Please trace carefully, top side up, on a piece of paper (Standard printer/copier paper is recommended. You may tape two pieces of paper together for oversized guards. (Please do not use napkins, tracing paper, corrugated cardboard, etc.) Faxes and photocopies are not acceptable.

Please do not cut out the tracing once completed. Be sure to trace everything cut into the pickguard. (Pickup holes, switch slots, potentiometer holes, mounting screw holes and pickup height adjustment screw holes). If you are deleting, relocating or changing electronics on the pickguard, place them in the positions required. Pickup changes must show exact locations, dimensions and manufacturer.

Please do not send a box with your tracing. You may fold the paper and mail it in a standard business envelope.
